

## **Your communication on the Legend Boucles social networks, it's possible!**

By organising the Legend Boucles @ Bastogne, in addition to other events on the circuit or on the road, the Royal Automobile Club de Spa enjoys great popularity with its fans. This is reflected in its successful social networks, with a Facebook page, to name but one, followed by over 18,000 people!

And what if you, competitors of the Legend Boucles @ Bastogne, took advantage of such popularity to improve your communication?

And what if the Legend Boucles took the opportunity to devote some space to some of their most loyal participants?

A major competition will be launched on Friday 1 December 2024. It will enable one crew in a Legend/Challenger and another in a Classic 65/Classic 50, selected at random, to benefit from feedback on their activities for a whole year on the Legend Boucles social networks. This is an opportunity for you and your partners to benefit from exceptional visibility, which is sure to arouse the curiosity of your partners... On Sunday 24 December, a double draw will be made from the entries in the Legend/Challenger and Classic 65/Classic 50 classes, and the names of the winners will be announced. The Legend Boucles team undertakes to receive information and photos with a sporting connotation from these winners, and to publish them immediately. Cost for the two winning crews: zero! On the other hand, the Legend Boucles community is guaranteed a return...

The only obligation for interested crews is to be in order of entry for the Legend Boucles @ Bastogne 2024 by 24 December 2023, and to share and comment on the 'I'm taking part' post which will appear this Friday on the Legend Boucles Facebook page!
